

Oasis Prayer Update – March 2016

- That God would be with David Norton as he leaves Oasis to serve the Lord closer to his home in London Ontario.
- That God would help Richard Steinecke, Chair, as he takes on the day-to-day leadership of Oasis, and for the staff of Oasis: Erika Abele, Sofia Pazmino, Louise Barkley-David and Olivier Musafiri as they step in to fill the gaps.
- That God would supply the need as increased numbers of people come to use the Food Bank and traditional sources of food have stretched resources.
- That the Drop-in time on Tuesdays before the Community Kitchen would become known and meet a needs of the Oasis community.
- That the Spanish Seniors Group meeting on Wednesday afternoons would continue to be a rich source of encouragement.
- That God would embolden the volunteers at Oasis, some of which are moving on the full-time work, and for new people to step into their shoes.
- That God would use the May 7, 2016 event: “Be a Food Bank Client for a Morning” to edify and inspire the broader Oasis community.
