

UPDATE: APRIL/ MAY 2011

Dear Friend,

Spring has arrived! Please enjoy the latest update from your friends at Oasis.

HERE IS WHAT IS NEW AT OASIS:

- The Oasis Life Group celebrated Pastor Scott's birthday together and it was so special to see friends gather to enjoy the new friendships being formed at the burgeoning Oasis Church.
- The Oasis Soccer Program is getting ready to begin the plethora of fun summer activities. The adult Soccer team will begin its second season in the Toronto Soccer Services League and will showcase their talent at the Oasis Walk, Run or Play. The Oasis summer day camp for kids will continue this July with a soccer camp for half of the day and VBS for the other half of each day.

OASIS F.C. WILL SHOWCASE NEW TALENT.

- The Oasis Seniors Group met in April as they reflected upon the meaning of Easter. The group of about 20 enjoyed a special screening of the movie "Marcelino, Pan y Vida" also known in English as "Marcelino, Bread and Wine".

· Oasis welcomed a group of three students participating in Serving In Mission's (S.I.M) G.A.P. program. This program sees students from overseas spend about a year in Canada. The Global Awareness Program allows people to Gain A (new) Perspective (GAP) and be challenged to a different worldview. It is a year when people can gain a completely different perspective on life and skill-sets that will last a lifetime. The three participants that visited Oasis are from Korea and were able to enjoy a full day of mutual learning in the areas of culture and mission.

PRAYER REQUESTS:

· Please pray for the next Oasis event:

[The OASIS WALK, RUN OR PLAY to be held on May 28th, 2011.](#)

· The Oasis summer camp and soccer league. This will be run by volunteers and several mission teams will be visiting Oasis to help promote, register and carry out the fun activities for over 100 children in the Oasis community.

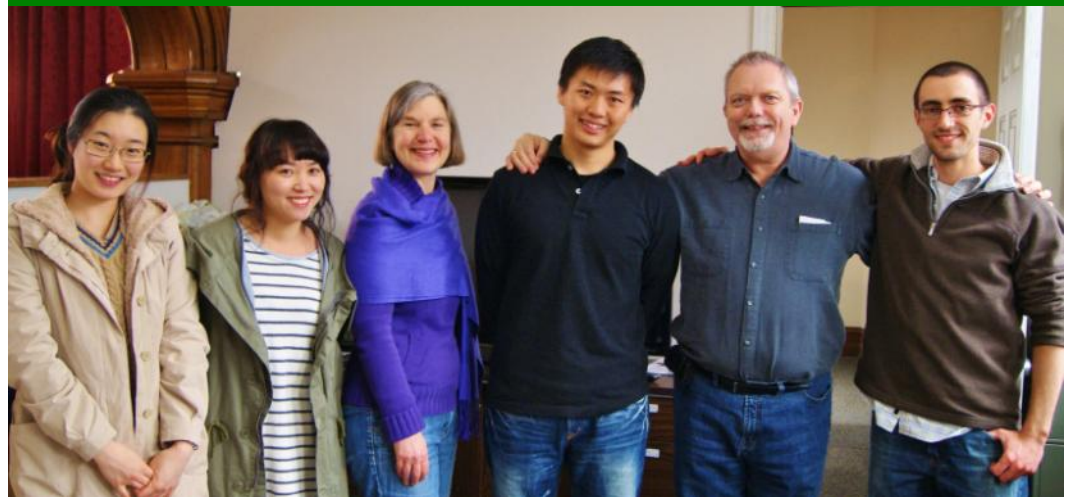

· The Oasis Urban Training Ground is a great way to impact the lives of many young leaders and many international visitors. Please pray that all participants would gain a new perspective on life and learn practical ways to serve God in their community.

Thank you for your continued support!
