

Dear Friend,

Here is the latest update from your friends at Oasis, enjoy!

- **The 16th annual Oasis Walkathon** was held on Saturday October 1st, 2011. Over 35 people walked and prayed in support of the Oasis community. A special thank you to all those who participated and because of you we were able to raise \$5,000.

- Several Oasis friends, including Oasis staff, were able to run for Oasis in the Scotiabank Marathon. This is the first year Oasis has participated in this event. Almost \$2,000 was raised by those running in the 5km and half-marathon distances. Look for more running events in 2012.
- The Oasis children's program called K.I.C.K. - Kids In Christ's Kingdom, continues and as of November will be held on Friday nights. On Monday nights Oasis reaches out to junior school children in the community and runs an after-school sports program at Alexander Muir Gladstone School. Volunteers are always welcome for either activity, so feel free to contact us if you are interested.
- The Spanish speaking seniors group has participated in a variety of activities – workshops, outings, Bible studies and prayer. As this program takes a break for the winter months, please remember them and that they will continue strong in their faith.
- The Oasis Women's program has resumed this fall. Oasis offers a women's support group in Spanish as well as individual counselling.

Please join us for the Oasis Christmas celebration: Friday, December 9th, 2011.

If you would like to bring donations, Oasis gives special gifts to families in the food bank for Christmas. The following items are always welcome: hats, gloves, scarves, toiletries and non-perishable food items.

PRAYER REQUESTS:

- Please continue to pray for the Oasis Women's Ministry and the support group currently being offered.
- Pray for the people who go to the Oasis Food Bank that they will receive enough food and also that they will have their spiritual needs met.
- With many children being a part of the Oasis activities, please pray for their safety and that they will learn important life skills.
- The Oasis Church will provide a special Christmas lunch to be held on Dec. 21st. It is not only a great opportunity to serve but also to strengthen friendships and make new connections within the community. Pray for Pastor Scott and the group of volunteers who will enjoy a meal among friends.

Thank you for your continued encouragement and prayers.

- The Oasis Team

Two lovely women who take part in the Oasis Seniors Program.
